Dated	7 8 42

[Despatch Abstract.]

War - Air Raid Precautions Mangalore town - Schemes for care of persons rendered homeless, etc. - approved.

CONFIDENTIAL.
Ref. No. 1716-42-M.

S.Kanara Collector's Office,
Mangalore, 19th May 1942.

From

M. Karamatullah Esq.,I.C.S.,
Collector of South Kanara.

To

The Secretary to the Government of Madras,
Public (Civil Defence) Department,
Madras.

Through

The Deputy Inspector General,
Civil Defence, Madras.

Sir,

(A)

War - A.R.P. - Scheme of care of persons etc.- preparation -

Ref:- Government Memorandum No.59 W/41-64 dated 24.3.42.

I submit herewith a draft scheme drawn up for Mangalore on the lines of the Madras Scheme for the approval of the Government.

2. The draft scheme makes provision (1) for the opening of 12 Rest Centres for the accommodation within the Municipality of Mangalore of persons rendered homeless by enemy action owing to their homes being destroyed or rendered temporarily uninhabitable; (2) for the salvage of private property including personal possessions; (3) for action to be taken in regard to buildings slightly damaged as a result of enemy action; and (4) for action to be taken in respect of extensive demolitions and demolition involving the use of explosives and clearance of debris.

3. The population of Mangalore is at present 82,000 and of these, excluding those who voluntarily evacuate and those who may not require Government care, roughly about 3,000 persons alone are provided for as likely to be affected. It is for these 3,000 persons that 12 Rest Centres have been proposed as given in Appendix A. These Centres cover

nearly the entire area of the Mangalore Municipality and will serve the needs of those living in the different localities of the Town. Appendix B has been prepared with reference to local conditions. Regarding the construction of kitchens and latrines for which provision has been made in Appendix C, it is presumed that the intention is that the construction has to be taken up only in the event of an emergency arising. But construction may not be immediately possible in an emergency or as long as panic prevails. The successful working of the scheme would requi advance construction. But the scheme could, nevertheless, be worked imperfectly until temporary structures are rigged up during the emergency.

4. Salvage of property:-

Under para 3(2)(c) of Part I of the draft scheme, the procedure for the fixation of pay for the salvage staff has been defined. Instructions may be kindly issued whether these staff are to be appointed now and kept in readiness or whether they may be appointed later.

5. Extensive Demolition:

The P.W.D. Assistant Engineer, Mangalore, stated that two Racbar Exploders and one Galvanometer which had been received back after the blasting operations in the Amin Divi Islands were in his custody and that they were to be returned to the Executive Engineer, Salem. As he opined that this apparatus might be useful for demolition work, I consulted the Executive Engineer, West Coast Division, Calicut, regarding the advisability of retaining them for use in this district or a group of districts. In reply, he has written to me to say that he has addressed the Executive Engineer, Salem, to find out if the apparatus can be transferred and cost debited, instead of being loaned (on hire) and that he is awaiting hi reply. He has however stated that there may not be any difficulty in keeping the instruments if the hire charges of Rs.28-14-0 per mensem are paid. I request to be informed if the above apparatus can be retained here on payment of the hire

a further report on the question of the transfer of the apparatus, otherwise than as a loan, will be submitted on hearing again from the Executive Engineer, West Coast Division.

L. Kasamatullah

Letter from Collector of South Kanara.

21553 Mangalore 19th May '42.
30-5

Forwarded

It has been shown repeated-ly that when an Indian town is bombed the populace leave it, caring nothing for rest centres. Among the first to go are municipal employees, scavengers, hotel keepers and cooks. It is suggested that rest centre schemes should be dropped or very drastically cut down.

War- A.R.P. Mangalore- Scheme for care of persons, etc.- Ref. from the D.M. of S. Kanara, No 1716-42-M dt 19.5.1942

The Scheme for care of persons etc. submitted by the D.M. with his letter ~~is~~ cited above is returned herewith for revision & resubmission to Govt. with reference to the following remarks:

(1) It is considered that a provision of 12 rest centres is too many for Mangalore. It should ~~here~~ be reduced to three.

(2) The allotments of Rs. 50,000 under "Cost of repairs to buildings slightly damaged" & Rs. 10,000 under "Cost of demolition & clearance work" should be reduced to Rs. 10,000 & Rs 5,000 respectively.

2 With reference to para 4 of his letter cited above, the D.M. is informed that Salvage Service should comprise as far as possible personnel of the Excise & Revenue Depts other than

10

Revenue Inspectors. The staff required should be appointed only when the need for it actually arises.

(4) The scheme as revised should be submitted to Govt through the D.I.G. C.D.

DEPUTY INSPECTOR-GENERAL, CIVIL DEFENCE
25 JUL 1942
MADRAS

Scheme for the care of persons.

Scheme for the accommodation within the town of Mangalore of persons rendered homeless by enemy action owing to their houses being destroyed or rendered temporarily uninhabitable.

The scheme provides for the temporary accommodation in Rest Centres of persons who remain in Mangalore after their houses have been rendered uninhabitable by enemy action. It is assumed that the period of occupation of a Rest Centre will not exceed 7 days at a time.

2. Rest Centres. Appendix 'A' gives details of the Rest Centres and the authorities who have agreed to be responsible for the supervision and feeding arrangements. Provision has been made for the accommodation of 1,000 persons approximately

3. As the Rest Centres are located in school buildings, the Schools will be closed while the buildings are utilized as such and any deficiency in attendance caused by the closure will be condoned.

4. The Government will meet all expenditure connected with these Rest Centres including the cost of repairing any damage caused during their occupation. All temporary buildings required will be constructed at Government cost.

5. Feeding arrangements.

(a) Where private organizations undertake feeding arrangements, the Government will pay them the actual cost, besides providing the necessary cooks and constructing temporary kitchens, wherever necessary. If found necessary, foodstuffs etc., will be supplied by Government through retail depots to be established in Mangalore. Appendix 'B' contains a detailed statement showing the cost of providing one meal for 1000 persons. The daily cost at 2 meals a day is calculated at current prices to be Rs.212-11-0. This includes firewood, cups (donnais), plates, (leaves) and cooks. The figure is liable to revision.

The Tansildar, Mangalore, will maintain a register of cooks, who will be available in an emergency.

(b) Special Arrangements for children. It is estimated that one in every five of the refugees will be children of 3 years and below, for whom milk will be required. The average daily ration per child will be 6 kudthas and the cost at 6 pies per kudtha will be roughly 3 annas a day, i.e., practically the same cost as for an adult. The following sources of supply for milk may be available.

1. The Gokuldas Dairy Farm, Hampankatta.
2. The Chinnayya Gollas Dairy Farm, Venkatramana Temple Square, Mangalore.

6. Cooking utensils. The trustee of one temple has agreed to make one set of cooking utensils available free of cost. Besides this, 2 full sets may be necessary and their cost, which is roughly estimated at Rs.200/- will be borne by Government.

7. Additional temporary buildings. A preliminary survey of the premises of the Rest Centres shows that 3 temporary kitchens and six dry latrines of 10 seats each will be needed. The estimated cost of a temporary kitchen block for 200 persons is Rs.100/- and of a dry latrine is Rs.30/- Actual experience may, however, show the necessity for additional temporary buildings

8. Supervising Staff. The scale of staff required for each Rest Centre is one Supervisor who will sleep on the premises and six Assistant Supervisors for every 500 refugees working in 3 shifts of 2 each. The Municipal Commissioner will make the necessary arrangements in respect of Rest Centre No.1 (Pentlandpet). The Collector of South Kanara will detail the staff required for the other two Rest Centres.

9. Other Staff. For each Rest Centre, one thoti will be attached. Extra sweepers will be employed, if found necessary. The Commissioner, Mangalore Municipality, will be

responsible for making such services available. Their cost will be borne by Government.

10. Supply of clothing. Some of the refugees may require to be supplied with clothing. A provision of Rs. 200/- is made for this purpose.

11. Stationery, etc.

(a) It may be found desirable, if it is possible, to maintain some record of the refugees accommodated in each Rest Centre. A provision of Rs. 40/- is made for this purpose.

(b) Some expenditure on lighting may be necessary. Rs.50/- is provided for this purpose.

(c) Miscellaneous contingent expenditure may have to be incurred for notice boards, etc. Rs.25/- is provided for this purpose.

12. Appendix C. contains an estimate of the cost of the scheme, non-recurring and recurring. It is assumed that the District Superintendent of Police will be able to provide 2 Police Constables for each centre, at any rate after the panic has subsided. No provision is made for the grant of T.A. to Government servants and others engaged on duty in the Rest Centres.

13. Salvage Depots.

(a) In each of the three Rest Centres, arrangements will be made for storage depots for salvaged property belonging to the refugees.

(b) Staff. 1 Supervisor sleeping on the premises and 3 shifts of 2 Assistant Supervisors will be required. The Supervisor will be a responsible officer of the status of a Deputy Tahsildar or office Manager. Assistant Supervisors will be of the status of Lower or Upper Division clerks. The Collector will detail specific individuals for each of the three salvage depots from among the subordinates of the Excise and Revenue Departments. Including reserves, about 5 Supervisors and 30 Assistants will be required. For each depot, 3 shifts of 2 peons will also be required.

(c) Procedure. It will not be practicable to insist on owners labelling their property or maintain a record of all property stored. Receipt books with numbered counterfoils and duplicate numbered foils will be used. 50 books of 100 foils each will be supplied to each depot. Each depot will be designated by a separate letter of the alphabet. One foil will be given to the depositor and the other affixed to the property deposited. Requisite gum will be provided at each Salvage Depot. The property will be returned on production of the foil by the depositor. If practicable, to minimize the risk of malpractices, the Assistant issuing the foil to the property will sign across the perforation between the counter-foil and the foil given to the party.

(d) An estimate of the cost of the arrangements for these Salvage Depots is given in Appendix D.

Rs. 27 lakhs

S/Sh. Karamatullah
16/7/42

COLLECTOR.

SALVAGE OF PROPERTY.

Scheme for the Salvage of Private Property including Personal Possessions.

Part I - General.

1. Salvage of the property of Government. industrial and commercial undertakings, business concerns, public-utility undertakings and transport services will primarily be the duty of the authority responsible in peace time.

2. The Salvage Service is designed primarily to assist occupants of damaged houses to recover and transport their possessions to temporary salvage depots or their new houses and to retrieve and store the possessions of such occupants if they are absent.

3. (1). The office of the Salvage Service will be the office of the Inspector of Excise, Mangalore. This office will be the information office in respect of salvaged property.

(2) The Salvage Service will consist of the following personnel.

(a) Clerical Staff of the Registration and Forest Departments working at Mangalore and also the Excise Staff.

(b) The pay of the salvage staff will be so fixed as to avoid competition with other branches of A.R.P. for which non-technical personnel is required. Literacy in Kanarese as well as English will be prescribed as the minimum General Educational Qualification.

4. One member of the Salvage Service will accompany each Light Rescue Unit and remain at the scene of incident if Salvage of Property is necessary.

.Other members of the Salvage Service as required will be sent to the scene of incident after the "Raiders Passed" signal has been given.

5. Salvage Depots will be opened in all the three Rest Centres specified in Appendix A. The Salvage Depot at No.1 Pentlandpet will be managed by the Municipality and the other two will be managed by Government.

6. Motor transport, if available, will be requisitioned by the District Superintendent of Police. If motor transport is not available, bullock carts will be used. A list of persons who own bullock carts is given in Appendix E. Hired labour will be employed as required.

7. An allotment of Rs.1000/- will be placed at the disposal of the Inspector of Excise, Mangalore, to meet contingent expenditure in connection with Salvage work. A permanent advance of Rs.100/- will be given to him for the same purpose.

PART - II.

Salvage of building materials.

There are no contractors having such status as could be entrusted with salvage work without supervision. The work will be allotted to the A.R.P. Assistant-Engineer, who in turn may entrust the work on contract on a rough estimate so far as the salvage of useful building materials is concerned.

2. Also in the case of other buildings, the owners of which cannot undertake the duty, the salvage of useful building materials will be the responsibility of the A.R.P. Assistant-Engineer. Such materials should be stacked in any convenient vacant ground. A record of the description and value of the materials salved from each building should be maintained.

PART - III.

Salvage of Essential Food Stocks and Other Perishable Goods of Value to the Community.

The salvage of essential food stocks and other perishable goods of value to the community should receive precedence

2. If the owner is available, all food-stuffs should be handed over to him. If the owner is not available, a record of the description and value of the food-stuffs should be maintained and they should be sent to the nearest Rest

PART IV.

Salvage of Personal Property and Private Possessions.

If the owner is available, such property should be handed over to him. If he is unable to provide transport for the removal of his possessions, free transport (including the necessary labour) should be provided for him.

2. If the owner is not available, such property should be sent to the nearest Salvage Depot.

PART V.

Procedure - When salvaged property or food stuff is sent to a Salvage Depot or Rest Centre, a duplicate voucher in the form given in Appendix F. should be sent with it. The messenger accompanying the property will sign the receipt on the reverse of the counter-foil; the supervisor will sign the receipt on the reverse of the foil addressed to the Inspector of Excise, Mangalore, and send it to him and will file the duplicate foil. A similar procedure will be adopted in the case of building materials.

PART VI.

Disposal of Salvage Materials - As some of the salvage materials possessing good sale value will be of use to the Supply Department for War purposes, the Salvage Officer should send lists of materials and quantities salved to the nearest representative of the Supply Department. A copy of the letter from the Deputy Secretary to the Government of India No.372/41 A.R.P. (C.D.) dated 4-4-42 communicated with Government Endorsement No.20300-1, Public (Civil Defence) Department dated 30-4-42 containing instructions in this regard, will be sent to the Salvage Officer for information and guidance.

PART VII.

Forms and Stationery.

A hundred books, each containing 50 vouchers with counter-foils and duplicate foils in the form given in Appendix F, will be supplied. In addition, labels to be attached to articles

Scheme of Action to be taken in regard to Buildings Slightly Damaged as a Result of Enemy action.

The A.R.P. Assistant-Engineer, Mangalore, will inspect slightly-damaged premises and decide the extent of repairs necessary to render each building habitable. The A.R.P. Controller may requisition the services of the Municipal P.W.D. staff to supplement the staff of the A.R.P. Assistant-Engineer, if necessary.

2. The admissible repairs will not extend beyond what is required to render the building habitable and will not include interior decoration and replacement of fittings.

3. A record of the approved cost of the admissible repairs will be made in each case.

4. Repairs to property of industrial and commercial undertakings, business premises, premises of public utility undertakings and transport services and Government buildings will be carried out by the authority responsible in peace time.

5. Repairs will be undertaken by the Government only if the person responsible for repairs to the property is unable to effect the repairs himself. In such cases, the work will be given out on contract by the A.R.P. Assistant Engineer in the usual way.

6. In the case of kutcha thatched and kutcha tiled houses, which require little material for their construction admissible repairs will be deemed to include complete re-construction.

7. An estimate of the number and value of building which, if damaged, may require to be repaired at Government cost is approved. *afforded.*

A provisional allotment of Rs.10,000/- will be required to meet the cost of this work.

(1) Kutcha thatched houses, rental less than Rs.3/- per mensem, average value Rs.50/-	No.100	5,000-0-0
(2) Kutcha tiled houses, rental below Rs.3/- per mensem, average value Rs.200/-	No.100	20,000-0-0
(3) Kutcha tiled houses, average rental Rs.5/- per mensem, average value Rs.500/-	No.500	250,000-0-0
(4) Pukka one-storeyed houses, average rental Rs.10/- per mensem, average value Rs.1000/-	No.1000	10,00,000-0-0

Extensive Demolition.

Scheme of Action to be taken in respect of Extensive Demolitions and Demolitions Involving the Use of Explosives and Clearance of Debris.

@@@@@

Under the powers delegated by the Government, the A.R.P. Controller, (District Magistrate) may, under Rule 51-B (3) of the Defence of India Rules, authorize any person to demolish buildings for preventing the spread of fire. Under Rule 78 of the Defence of India Rules, the Government may authorize any person to demolish buildings for securing the public safety or to clear any site on which substantial damage has occurred by reasons of war operations. In the case of Government buildings such works will be executed by the Regular P.W.D. staff under the administrative control of the District Magistrate and under the technical supervision of the Executive Engineer.

2. Demolition is carried out in the interests of public safety and must take precedence over the interest of individuals in the salvage of their private property; but all reasonable precautions should be taken to prevent further loss or damage to private property.

3. Before debris is removed from the site of a demolished building, the building and all its contents should be inspected by an officer of the Engineering Department not below the rank of a Sub-Divisional Officer, who should make a report on the condition and contents of the building.

4. All possible facilities should be given to owners of private property and members of the Salvage Service to arrange for the salvage and protection of such property.

5. Where persons having control over buildings which have been damaged beyond repair are unable or are unwilling without assistance to arrange for the levelling and clearance of the site, this work will be done at the expense of Government.

6. The work of demolition, including demolition involving the use of explosives, and the removal or levelling of the debris of demolished buildings undertaken by Government will be given by the P.W.D. on contract on the basis o actual cost plus 10 per cent. The clearance of debris from off road communications will be the responsibility of the Mangalore Municipality.

6. (a) Necessary explosives, i.e.,

(1) 500 cartridges (i.e., 50 lbs.) gelignite.
(2) (a) 150 detonators No.27
(b) 150 -do- Electric, and
(3) 40 coil fuse, each 24 feet long, will be requisitioned from Messrs Best & Co., Madras and stocked.

(4) Two Raebar Exploders and one Galvanometer at present in the custody of the P.W.D. Assistant Engineer as also (a) Twin shot firing cable 540 ft. and (b) Box and reel for cable, which are in this office are proposed to be retained.

7. A provisional allotment of Rs.5,000/- will be made to meet the cost of demolition and clearance of debris undertaken by Government.

8. Stout timber useful for under-pinning and supporting dangerous structures will, if necessary, be requisitioned under Rule 75-A of the Defence of India Rules. A list of timber merchants who stock such timber is given in Appendix G.

Order ~~Resolution~~ Ms. No. 2359, dated 7-8- 1942

The Government generally approve of the schemes submitted by the Dt. of S. Kanara for the Care of persons rendered homeless by enemy action, etc. in Mangalore town. They also approve of the following estimates of expenditure:

1. Temporary accommodation of persons in Rest Centres — Non-Recurring. Rs 1,000 / Recurring for each 7 days. Rs. 1,600 — 1.27 CF

2. Salvage of Private property including personal possessions — Allotment Rs. 1,000 / Permanent advance Rs 100 — Rule 15 CF

3. Cost of repairs to buildings slightly damaged — Rs 10,000 — Para 7, 1.20 CF

4. Cost of demolition & clearance work — Rs 5,000 — Para 7, 1.22 CF

2. The expenditure will be debited to "64. B Civil Defence – a. Expenditure on A.R.P. – Mangalore centre"

Ref. C3-2028-46.

South Kanara Dt. Magistrate's Office,
Mangalore, dated 25-10-1946.

From

J. R. Bott, Esq., ...,
District Magistrate of South Kanara.

To

The Secretary to Government,
Home Department, Madras.

Sir,

EXPLOSIVES - Magazine at Mangalore - Detonators and blasting powder - Disposal - Orders solicited.

The following explosives were supplied by Messrs. Best & Co., Limited, Madras, early in January 1943, for being kept in my custody for possible use for the Town of Mangalore in connection with the Scheme for the care of persons and salvage of property approved by Government in G.O.Ms.2359 Public (Civil Defence) Department, dated 7-8-1942. The explosives were deposited in the Police Magazine at Mangalore as a War measure only. The District Superintendent of Police reports that the Police Magazine has since been shifted to a new building with limited space and that there is not sufficient accommodation to continue to keep the explosives in the new Magazine

2. The records of this office dealing with the correspondence regarding the purchase of the explosives have been destroyed. Neither is a copy of G.O.No.2359, Public (Civil Defence) Department, dated 7-8-1942 available.

3. I request that a copy of the G.O. referred to in para 2 may kindly be furnished to me and I may [also] be informed whether the explosives may be returned to Messrs. Best & Co. if they have no objection to receive them. As the A.R.P. Scheme was abolished long ago there appears to be no necessity for retaining the explosives here.

Particulars of explosives.

1. 50 lbs. Ammon. Gelignite 74% 7/8" (one case).
2. 200 Nos. Detonators No.6 (one case).
3. 100 Nos. Elec. Detonators (Sub) No.6 with 72" wire (one case).
4. 10 coils B.D.T. Fuse (one case).

67 C.No. 2013
20/5/47

Ref.C3-3339-47.

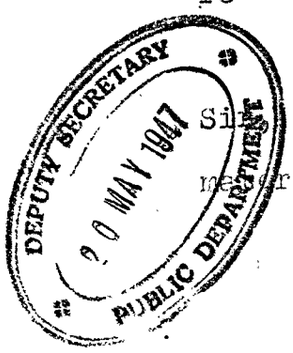
South Kanara Dt. Magistrate's Office,
Mangalore, dated 16th May 1947.

From

J. F. Saunders, Esq., M.B.E., I.C.S.,
Dt. Magistrate of South Kanara.

To

The Secretary to Government,
Public (General D) Department,
M a d r a s.



Sir,

War - A.R.P. Mangalore - Detonators and blasting materials - disposal-further instructions -solicited.

Ref: 1. Government Memo 243 (Public General D) dated 6-3-47.
2. This office M.L.Dis.2757-47 dated 27-4-47.

I invite your attention to this office report cited above, explaining in detail the circumstances in which the blasting materials which are now in deposit in the Police Magazine at Mangalore could not be disposed of. The District Superintendent of Police now intimates that these materials will be disposed of by public auction and the sale proceeds credited to Government, if no arrangements are made to take back the substances before 31-12-47 and quotes G.O.Ms. 1395 (Home) dated 8-4-47 in support of the proposed action.

2. The provisions of the G.O. referred to above do not appear to apply to the blasting materials now in deposit in the Police Magazine as these were purchased by Government and stored in connection with the salvage of property as a war measure only. I have therefore requested the Dt. Superintendent of Police to keep the proposed sale in abeyance pending orders of the Government.

3. In the circumstances I request to be informed whether the steps proposed to be taken by the Dt. Superintendent of Police for the disposal of the explosives are in order. If not, I may be instructed as to what I should do with the materials which are lying idle since 1943.

For Dt. Magistrate

**

The District Superintendent of Police South Kanara reports that the blasting materials which were in the Police Magazine were destroyed by him on 22-6-1947, in accordance with the instructions of the Chief Inspector of Explosives in India New Delhi.

2/- Copies of the letter C.No.G.40 (C.S)-E/AR/ Government Mag. dated 2-6-1947 from the Chief Inspector of Explosives in India- New Delhi to the District Superintendent of Police South Kanara and the certificate of destruction furnished by the Dt. Superintendent of Police are enclosed for information.

For District Magistrate.

Copy to the Chief Inspector of Explosives in India - New Delhi with reference to his letter No.A.R.(SC)E Govt.Mag.dated 2-7-47.
Copy to Messrs. Best & Co. Ltd. Madras with reference to their letter 7(2) dated 21-3-1947.
Copy to the Superintending Engineer Moyar Hydro Electric Scheme Ootacamand with reference to his letter S.No.2204- dated 4-6-47.
Copy to the Chief Engineer P.W.D. General Buildings and Defence Chepauk, Madras with reference to his endorsement No.2393-AC/47-2 dated 13-6-1947.
Copy to the Divisional Engineer Highways Mangalore with reference to his letter Ref 7500/A6-47 dated 13-6-1947.

Copy of letter No.G.40(CS)-E/AR.Govt.Mag.New Delhi dated 2nd June 1947 from the Chief Inspector of Explosives in India, M Block, New Delhi to the Dt. Superintendent of of Police, S.Kanara.

***

I have the honour to send herewith a copy of letter No.C3. 3339/47, dated the 16th May 1947 from the District Magistrate, Mangalore, and to state that 50 lbs. of Ammon Gelignite has been lying in the magazine for more than three years. Nitro explosives (Ammon Gelignite) may deteriorate on long storage in magazines and become unsafe for further use. I would suggest that the explosives may please be destroyed immediately. "Instructions" for the destruction of explosives are enclosed.

Detonators and B.D.T. fuse, it seems, will no longer be of any use to the Police and should also be destroyed according to the above instructions.

GOVERNMENT OF MADRAS

Abstract.

EXPLOSIVES - Substances forfeited to Government which remain undisposed of - Return to previous owners - Sanctioned.

Home Department.

G.O.Ms.No. 1395, dated 8th April,1947

Read the following:---

From the Director of Public Instruction, Madras, Rc.No.2383 W1/46 dated the 14th March, 1947.

ORDER:

In G.O.No.387, Home, dated 17th February, 1943, the Government imposed stricter control on the possession, sale, manufacture, etc. of certain substances capable of use in the manufacture of bombs and directed that such substances which are in the possession of the public should be deposited in the Police stations. They also ordered that the substances so deposited with the police should be forfeited to Government, if they are not disposed of by the owners within a prescribed period. These orders have since been cancelled in G.O.No.251, Home, dated 21st January, 1947.

2. It has been represented that some of the substances so deposited and forfeited to Government are still in deposit in police stations. The Government consider, that though the previous owners of these substances have no right to claim the return of the

P.T.O.

substances, yet in the special circumstances under which these deposits were ordered, there is a case for the return of the undisposed substances to their previous owners. The District Magistrates and the Commissioner of Police are, therefore, directed to return to the previous owners, the forfeited substances which were not disposed of according to orders and which still remain in the Police stations. If the previous owners do not make arrangements to take over such substances before 31st December, 1947, they should be disposed of by public auction and the sale proceeds credited to the Government.

(BY ORDER OF HIS EXCELLENCY THE GOVERNOR)

J.W. Pritchard,
Secretary to Government.

To the Director of Public Instruction, Madras.
To all District Magistrates.
To the Commissioner of Police, Madras 8.
To the Surgeon-General with the Government of Madras, Madras.
To the Director of Industries and Commerce, Madras.
To the Director of Agriculture, Madras.
To the Inspector-General of Police, Madras.
Copy to the Registrar, University of Madras.
Copy to the Registrar, Annamalai University.
Copy to the Registrar, Andhra University.
To the Director of Information & Publicity.

War - A.R.P. - Mangalore - Scheme for Care of persons, etc.

—

From the Collector of S. Kanara, Ref. No 1716-42.11 D 19.5 1942

35CF

—

Please see the letter from the Collr. of S. Kanara on pp 1-3 CF & the scheme proposed by him on pp 5-35 CF. The Remarks of the D.I.G., C.D. on the scheme are at p. 37 CF. A comparative statement of the estimates of the Cost of the Scheme for Mangalore & Madras is given below

		Madras	Mangalore
(1) Accommodation in rest centres: Food, clothes, etc.	Recurring — for each 7 days.	Rs 28,600	Rs 4,700
	Non-Recurring	13,750	2566
(2) Salvage of private property	Allotment	25,000	1,000
	Permanent Advance	1,000	100
(3) Cost of demolition & clearance work	Allotment	100,000	10,000
(4) Cost of repairing buildings slightly damaged	Allotment.	500,000	50,000.

The following remarks are called for:

Item (1) above.- Please see the remarks of the D.I.G., C.D. at p. 37 CF. It is for orders whether the D.M. may be asked to cut down the estimate to the minimum

12 rest centres is too many. There at least must should suffice.

9.6.

Item (2) on p.1 ante.— Please see para 4 on p.2 C.F. The D.H. may be informed that the Salvage Service should comprise as far as possible personnel of the Excise & Rev Depts. & that the staff required should be appointed ~~as & when necessary~~ only when the need actually arises. The scheme as proposed by the D.H. may be generally approved. / Mr 9.6

Item (3) on p.1 ante.— Please see portion marked C on pp 2-3 C.F. The two Rachar Exploders & one Galvanometer need not be hired now, but the D.H's further report promised may be awaited. The scheme as proposed by the D.H. may be accepted generally. / Mr 9.6.

Item (4) on p.1 ante.— An allotment of Rs. 50,000 has been proposed. Not Conjeveram a sum of Rs 10,000 only has been provided. It is for consideration whether a similar amount will not be sufficient for Mangalore as well. / B / It should be... Anyhow it is a paper estimate Ac.

For orders.

War - ARP - Mangalore - Detonators and blasting powder - Disposal of.

...

Ref:- Letter from the D.M., South Kanara, No.C3-2022- dated the 25th October 1946.
Endorsement from the C.E.,(G.B.&.D)No.5090-Ac/4 dated the 11th December 1946.
Letter from the D.M.South Kanara, No.C3-2022-46 dated the 13th February 1947.
Letter from the C.E.(G.B.&.D),No.5090-Ac/46-4, dated the 24th February 1947.
Letter from the D.M., South Kanara,No.M.L.Dis. 2757/47, dated 27th April 1947.
Letter from the D.M., South Kanara, No.C3-3339- dated the 16th May 1947.

...

The file relates to the disposal of detonators and blasting powder purchased for ARP purposes for use in Mangalore town. The D.M., South Kanara and the C.E., (General Buildings and Defence) reported that the blasting materials mentioned at p.12 c.f. were required by the Section Officer, Town Works, Public Works Department, Calicut. Orders were accordingly issued for the transfer of the materials to the Section Officer and for the transfer of the remaining materials to Messrs. Best and Co., Ltd., from whom all the materials were purchased. Subsequently the D.M., in his letter at p.25 c.f. reported that the materials were not required by the P.W.D. and that Messrs. Best and Co. Ltd. were unable to take back the materials

2. The D.M. now states that he has been informed by the D.S.P. that the materials will be disposed of in public auction if no arrangements are made to take back ~~the~~ the materials from the police Magazine before 31st December 1947 with reference to G.O.No.Ms.1395, Home, dated the 8th April 1947. He also states that as the orders in the G.O. referred to, do not apply to the blasting materials in question, he has requested the D.S.P., to keep the proposed sale in abeyance and requests to be informed whether the steps proposed to be taken by the D.S.P. are in order.

(P)

3. The Chief Engineer has already been asked to

submit proposals for the disposal of the materials and his reply is awaited. It is not clear whether ~~it is impracticable to dispose of~~ the materials can be disposed of in public auction. Home may be requested to put up the G.O. referred to and to offer their remarks on the proposals of the D.S.P.
